Notes for 2025-2026:

- 1 - Regional budgets are based on each region's share of the weighted % of: the number of chapters (\$3000), and the total distance between all chapters in the region (\$3000), out of \$7000 total.
- 2 - RVP Budgets may include travel expenses related to chapter visits, startup group visits, initiations, and other events in the Region.
- 3 - PVP Budget may include travel expenses related to chapter visits, startup group visits, initiations, and other events in the Province
- 4 - Provincial leadership training may include provincial committee chairs.
- 5 - Gulf South and Gulf Western regions both lost 1 chapter each last year, budgets were re-distributed accordingly.
- 6 - Speculative startup group at the University of Houston and potentially others, this line item can be used to visit startups.
